

BENEFITS OF DFA

REAL-TIME FEEDBACK

DFA tools can help teachers deliver immediate feedback to your child.

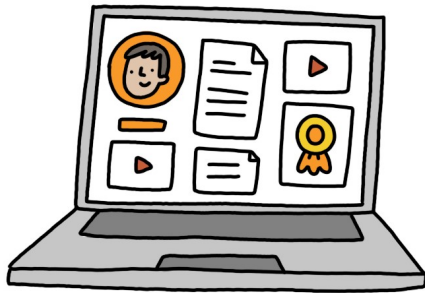

TO IMPROVE

ACTIONABLE FEEDBACK

HOW TO IMPROVE

Teachers can track progress and give feedback that help your child decide what to do to improve.

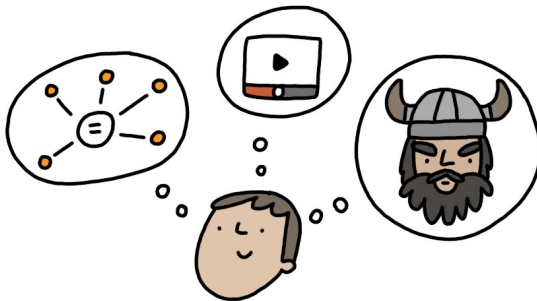

SEE HOW YOUR CHILD IS LEARNING...

...with tools like digital diaries and e-portfolios.

AUTONOMOUS LEARNING

Your child can revisit past feedback and reflect on their own learning.

VISUALISATION

Your child can learn concepts better with mind maps and digital storytelling.

21ST CENTURY SKILLS

Your child can hone their collaboration, creativity and problem-solving skills.

ADAPTING TO LEARNING NEEDS

Teachers can identify your child's learning needs and adjust their teaching accordingly.

DIGITAL SKILLS

Your child can develop ICT skills using e-learning, project management and portfolio tools.
